Re: Act 537 Sewage Facilities Plan
Proposed sewer extension-Limekiln
Interceptor
Amity Township, Berks County

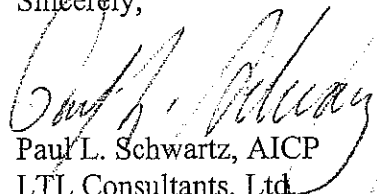

To Whom it May Concern:

LTL Consultants, Ltd., is preparing an Act 537 Sewage Facilities Plan for Amity Township, Berks County. As part of the plan, we are looking at several alternatives to provide sewer to a mobile home park and adjacent residential area.

The purpose of this letter is to request that the Bureau of Historic Preservation review the proposed project location for potential impacts to historical and cultural resources. Please provide our office with a written summary of your investigation.

If you have any questions, please do not hesitate to contact me at 610-987-9290.

Sincerely,

Paul L. Schwartz, AICP

Re: File No. ER 03-0729-011-D
DEP 537 PROGRAM: Act 537 Sewage
Facilities Plan, Proposed Sewer Extension
Limekiln Interceptor, Amity Twp., Berks Co.

Dear Mr. Schwartz:

The Bureau for Historic Preservation has reviewed the above named project under the authority of the Environmental Rights amendment, Article 1, Section 27 of the Pennsylvania Constitution and the Pennsylvania History Code, 37 Pa. Cons. Stat. Section 500 et seq. (1988). This review includes comments on the project's potential effect on both historic and archaeological resources.

The properties listed below, listed in or eligible for the National Register of Historic Places, are located near the project area. In our opinion, the activity described in your proposal will have no effect on such resources. Should the applicant become aware, from any source, that unidentified historic or archaeological properties are located at the project site, or that the project activities will have an effect on these properties, the Bureau for Historic Preservation should be contacted immediately.

Daniel Boone Homestead

In our opinion no archaeological investigations are necessary in this project area.

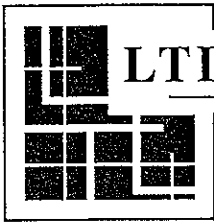

If you need further information in this matter please consult Ann Safley at (717) 787-9121.

Sincerely,

Kurt W. Carr, Chief
Division of Archaeology &
Protection
