General Regulations

Section 101. Definitions and Interpretation. Words and phrases, when used in this Chapter, shall have the meanings ascribed to them in the Vehicle Code, 75 P.S. §101, et seq. (1977), as hereafter amended, supplemented, modified or re-enacted by the General Assembly of Pennsylvania, unless the context clearly indicates a different meaning. The singular shall include the plural, the plural shall include the singular, and the masculine shall include the feminine. (Ordinance 55, July 19, 1974, Section 1; as amended by Ordinance 93, May 7, 1984, Section 1)

Section 102. Definition of Person. The word "person" used in this Chapter shall in all cases include any individual, partnership, association or corporation, singular or plural, including the responsible officers of any such association or corporation. (Ordinance 36, February 6, 1970, Section 23)

Section 103. Continuation of Prior Regulations and Ordinances. The provisions of this Chapter, insofar as they are the same as those ordinances in force immediately prior to the adoption of this Chapter, are intended as a continuation of such ordinances and regulations and not as new enactments. The provisions of this Chapter shall not affect any act done or liability incurred, nor shall they affect any suit or prosecution pending or be instituted to enforce any right or penalty or to punish any offense under any such ordinances or regulations as aforesaid. (Ordinance 55, July 19, 1974, Section 15; as amended by Ordinance 93, May 7, 1984, Section 2)

Section 104. Manner of Adopting Permanent Traffic and Parking Regulations. The Board of Supervisors of Amity Township shall have the right from time to time to adopt traffic and parking regulations not contrary to the provisions of this Chapter written by resolution which shall be filed for public inspection at the office of the Township Secretary, and shall be enforced as part of this Chapter. Such written resolutions may establish stop streets and through streets, speed limits on particular highways, delineate restricted parking areas and supplement other provisions of this Chapter. (Ordinance 55, July 19, 1974, Section 2)

Section 105. Temporary and Emergency Regulations. The Board of Supervisors shall have the following powers to regulate traffic and parking temporarily and in time of emergency:

(a) in the case of fire, flood, storm or other emergency, to establish temporary traffic and/or parking regulations; and

(b) in the case of emergency or to facilitate public works, or in the conduct of parades or other public events, to restrict or prohibit traffic and/or parking in limited areas for periods of not more than seventy-two (72) hours.

Such temporary and emergency regulations shall be enforced by the Board of Supervisors and the Police Department of the Township in the same manner as permanent regulations. Any person who shall operate or park a vehicle in violation of any such regulations shall be liable to the penalties set forth in the law or elsewhere in this Chapter for such violation, and, in case of any violation for which no specific penalty is set forth in the law or elsewhere in this Chapter, to a fine or penalty of not more than Six Hundred Dollars (\$600.00) and costs of prosecution, and, in default of payment of such fine and costs, to

imprisonment in the County Jail for not more than thirty (30) days. (Ordinance 55, July 19, 1974, Section 3)

Section 106. Emergency Closing of Certain Highways. The Board of Supervisors shall have the right by Resolution to temporarily close any Township road when in its opinion excessive or unusual conditions have rendered such road unfit or unsafe for travel. Such road or portion of road shall be properly marked in accordance with law, and any person using such road or portion thereof after the same has been properly closed and marked without a permit from the Chief of Police shall, upon conviction thereof by a District Justice, be sentenced to pay a fine of not more than Six Hundred Dollars (\$600.00) and in default of the payment of such fine and costs, be sentenced to imprisonment in the County Jail for not more than thirty (30) days. Provided, nothing in this section shall, in the case of extreme emergency, limit the right of the police officer in charge to close an unfit or unsafe road under the conditions listed above until a determination into the safety of the roadway may be made by the Board of Supervisors. (Ordinance 55, July 19, 1974, Section 13)

Section 107. Authority of Police Officers. The police officers of the Township of Amity are hereby given authority to direct traffic on the highways of the Township of Amity and at intersections thereof and to enforce the terms and provisions of this Chapter. (Ordinance 55, July 19, 1974, Section 4; as amended by Ordinance 93, May 7, 1984, Section 3)

Section 108. Severability. If any sentence, clause, section or part of this Chapter is for any reason found to be unconstitutional, illegal or invalid, such unconstitutionality, illegality or invalidity shall not affect or impair any of the remaining provisions, sentences, clauses, sections or parts of this Chapter. It is hereby declared as the intent of the Board of Supervisors of Amity Township that this Chapter would have been adopted had such unconstitutional, illegal or invalid sentence, clause, section or part thereof not been included herein. (Ordinance 55, July 19, 1974, Section 14; as amended by Ordinance 93, May 7, 1984, Section 8)

Part 2

Traffic Regulations

Section 201. Operation of Motor Vehicles Transporting Materials to Prevent Scattering. No person shall transport any ashes, dust, leaves, offal, manure (both natural and synthetic), wastepaper, trash, rubbish or other materials likely to be scattered by the wind in any open vehicle without wetting or covering the same so as to prevent the scattering thereof. (Ordinance 36, February 6, 1970, Section 17)

Section 202. Motor Vehicles Not to be Driven on Sidewalks. No person shall operate any motor vehicle longitudinally upon any sidewalk in the Township, nor shall any person operate any motor vehicle upon or across any sidewalk except in order to gain egress from a driveway at such locations where the curb, if such sidewalk is curbed, shall have been properly cut down for the purpose. Any person who shall violate any of the provisions of this section shall, upon conviction thereof before a District Justice, be sentenced to pay a fine of not more than Fifty Dollars (\$50.00) and costs of prosecution, and in default of payment of such fine and costs, to imprisonment in the County Jail for not more than ten (10) days. The word "sidewalk", as used in this section, shall mean any portion of any street or abutting upon a street which is used or reserved as a sidewalk, whether paved or not. Such highways shall be set and marked off for that purpose under the direction of the Police Chief. No person shall operate any motor vehicle upon any play highway at any time when such highway shall be so designated, except in cases of emergency, with special permission of the Police Officer in charge, who shall first clear such highway of all persons using such highway for the purpose for which it was set apart.
